Pacific Coast Championships

THE PACIFIC COAST CHAMPIONSHIPS brought over 150 contenders to the Polar Palace in Los Angeles the week of February 11th.

Up to the time of award presentations a number of places were not generally ascertained since they were so close. Several of the winners in figures toppled from their perch after the free skating.

One invisible award was given to Otto Dallmayr, Chairman of the Championships Committee, who was an excellent coordinator. He has patience, experience and understanding, but also has the ability to say "No" in such a way that one thanks him for it.

The Pacific Coast Championships are now history, but will be a pleasant mem-

ory. There was fine sportsmanship; win lose or draw everyone took it in stride. All wanted to attend the party so we had a wonderful time. The secret of a good party is to be real crowded. We Were Too!!—MYRTLE GIRTEN.

There was only one entry in two categories—Byron Topping (Wascana WC) in Novice Men for the Saskatoon Figure Skating Club Trophy; and the Connaught SC Four (Dana Kulai, Vicki
